Gifts, Benefits and Hospitality Policy

Council Policy

Responsible director	Director Corporate Services
Responsible officer	Manager Governance & Civic Support
Date adopted by Council	12 April 2021
Functional area	Governance
Review date	April 2025

Purpose

This policy clearly outlines the Northern Grampians Shire Council's position on members of Council staff responding to offers of gifts, benefits and hospitality to ensure transparency and accountability.

Background

Members of Council staff and others bound by this policy (individuals) may be offered gifts, benefits and hospitality during the course of their duties. These can range from token offers such as tea or coffee which are generally considered a basic courtesy to non-token offers that risk impartiality and integrity if accepted.

Scope

The council is committed to and will uphold the following principles in applying this policy:

Impartiality - individuals have a duty to place the public interest above their private interests when carrying out their official functions. They **will not accept** gifts, benefits or hospitality that could raise a reasonable perception of, or actual, bias or preferential treatment. Individuals will not accept offers from those about whom they are likely to make business decisions.

Accountability - individuals are accountable for declaring all offers and declining non-token offers of gifts, benefits and hospitality.

Integrity - individuals strive to earn and sustain public trust through responding to offers of gifts, benefits and hospitality in a manner that is consistent with community expectations. Individuals **will refuse** any offer that may lead to an actual, perceived or potential conflict of interest.

Risk-based approach - the council, through its policy, processes and Audit and Risk Committee reporting will ensure risks from gifts, benefits and hospitality are appropriately assessed and managed.

Public transparency - the council will strengthen its ongoing commitment to developing a highly transparent, ethical and legislative compliant entity. Council will maintain a public register on its website listing information on all offers of gifts, benefits and hospitality over \$50.00.

This policy applies to all Northern Grampians Shire Council employees, contractors, consultants and any individuals undertaking an activity for and on behalf of the council. It also extends to include subcontractors working in-house, staff on exchange, volunteers, work experience students or graduate placements who perform a function for Council.

The policy operates in conjunction with any adopted Staff Code of Conduct and relevant provisions in the *Local Government Act 2020*.

Policy

Whenever possible, gifts, benefits and hospitality should **not** be accepted.

Individuals **must**:

1. **not seek or solicit** gifts, personal benefits or hospitality for themselves or others by virtue of their position or in appreciation of services rendered;
2. **refuse** all gifts, benefits and hospitality that:
 - are money (of any amount), items used in a similar way to money or items easily converted to money, eg tokens, gift cards, vouchers;
 - give rise to an actual, perceived or potential conflict of interest;
 - if accepted is likely to influence them, or be perceived to influence them, in the course of their duties;
 - may adversely affect their standing as a public official or which may bring the Council into disrepute;
 - do not have a legitimate business benefit;
 - extend to their relatives or friends;
3. **declare all** offers of gifts, benefits and hospitality, regardless of their value, and regardless of whether or not they have been accepted or refused; and
4. **transfer** all ceremonial and official gifts, including any gift of cultural significance or significant value accepted on behalf of council, irrespective of value, to the Manager Governance & Civic Support to declare in the register. All official, ceremonial and other significant gifts belong to Council.

All offers of gifts are registered in the Council's Gift Register.

Bribery

Attempted bribery or suspected inducements must be refused and reported to the Director Corporate Services who will report any potential criminal or corrupt conduct to Victoria Police or the Independent Broad-based Anti-corruption Commission (IBAC). Where the circumstances fall within the parameters of the *Public Interest Disclosures Act 2012* a disclosure may be made in the appropriate manner.

The policy is supported by the [Gifts, Benefits and Hospitality Guidelines](#) which are designed to help individuals to apply the accountabilities within this policy for managing gifts, benefits and hospitality.

Provisions in Local Government Act 2020

Section 128: For the purposes of declaring conflicts of interest by members of Council staff, a **material conflict of interest** includes a disclosable gift or gifts with a total value of \$500 or more.

Section 134: Nominated officers must declare particulars of any gift of or above the amount or value of \$500 in their biannual personal interest returns.

Recording Procedures

All offers, whether accepted or declined must be reported via the gift declaration form in elementORG within 14 days of the offer.

In making the declaration the individual will be asked a series of questions relating to who made the offer/gift, the reason for the gift and if accepting it creates a conflict of interest or would bring Council into disrepute. Individuals will also be asked if there is a legitimate business benefit to Council in accepting the gift, if it is official or ceremonial and if the gift was accepted or not. The declaration will be assessed and a decision made on the acceptance of the offer/gift by the Manager Governance & Civic Support. Individuals will be notified of the decision made.

Reporting

The Director Corporate Services will report to the Executive Leadership Team and Audit and Risk Committee annually on the administration and quality control of the policy, processes and gift register.

The report will include an analysis of any trends and risks or vulnerabilities identified (including multiple offers from the same source and offers from business associates), risk mitigation measures and any proposed improvements.

The gift register, with restricted access, will be maintained by the Governance Team and monitored by the Manager Governance & Civic Support.

A public version of the gift register is published on the Council's website and details gifts of or above the threshold amount of \$50.00.

Breaches

Any breach of this policy must be reported to the Chief Executive Officer as soon as the breach is discovered. Individuals who observe corrupt behaviour in their colleagues (eg accepting a bribe) can also make a public interest disclosure directly to IBAC. Council will take decisive action, including possible disciplinary action, against individuals who discriminate against or victimise those who speak up in good faith.

The policy on the offering and provision of gifts, benefits and hospitality will be communicated to contractors, consultants and other business associates. Those identified as acting inconsistently with this policy may be subject to contract re-negotiation, including termination.

For further information on managing breaches of this policy, please contact the Manager Governance & Civic Support.

Responsibilities

Council, through its policies, processes and Audit and Risk Committee, will ensure gifts, benefits and hospitality are appropriately assessed and managed. Individuals with direct reports will ensure they are aware of the risks inherent in their team's work and functions and monitor the risks to which their direct reports are exposed, model good practice and promote awareness of relevant policy and processes.

The Manager Governance & Civic Support is responsible to:

- Establish, implement and review the policy.
- Provide communication and training in the management of gifts, benefits and hospitality and the identification of conflicts of interest.
- Establish and maintain a register of gifts, benefits and hospitality offered to individuals that, at a minimum, records sufficient information to effectively assess and report on accountabilities.
- Undertake risk-based monitoring of the policy, processes and register.

All enquiries about this policy should be directed to the Manager Governance & Civic Support.

Review

An assessment of the policy will be undertaken every four years to align with the Council term to ensure it remains current with the council's goals, processes, aims and requirements and as a means by which to reduce Council's exposure to risk. Triggers for an earlier assessment include legislative changes and the introduction of new systems or procedures.

Communication and implementation

Council's position on gifts, benefits and hospitality will be communicated to all stakeholders, business associates, clients, customers and suppliers including that an offer should **not be made** and will **be refused** if it conflicts with the minimum accountabilities within the policy. Targeted communication eg lead up to Christmas will remind people of their responsibilities to help build an ethical reputation.

The policy will be made available on Docs on Tap, the EDRMS and council website and referred to in inductions, contracts and other council documents and ongoing training provided via newsletters and the GoverniNG site.
