

Upgrading Navarre's Recreation Reserve facilities

Meeting local level AFL, Cricket Victoria and Netball Victoria facility standards

\$150,000

- 1 Partner with the Victorian Government, Council and the Navarre Sports Association to provide final funds required
- 2 Critical upgrades are required to the netball and football amenities and clubroom facilities to meet local level AFL, Cricket Victoria and Netball Victoria facility standards
- 3 The upgrades will ensure Navarre Recreation Reserve remains a relevant, inclusive, functional and sustainable asset for community use now and into the future.

Due to the disappearance over time of many of the sporting clubs in its neighbouring towns, Navarre Recreation Reserve, equidistant from Stawell and St Arnaud, now services a much larger local area than in decades past.
