

Stawell Sports & Aquatic Centre Redevelopment

Upgrading a key North-West Victorian sporting and recreation facility

\$17.3M

- 1 Feasibility study, facility planning and master plan project complete
- 2 Upgrades enable SSAC to continue to play a key role in the context of liveable communities, economic development, and population attraction
- 3 Outcomes to improve the wellbeing and long-term health benefits of a growing population of North-West Victorians now and into the future.

As a home for a strong Aboriginal community & a growing multi-cultural community, SSACs redevelopment would help us improve participation rates and patterns of physical activity in active recreation across age, gender and cultural background.
