2023 VIC FISH KIDS LAKE FYANS

FREE EVENT

We are hosting another Vic Fish Kids event to get more children fishing, more often!

It'll be fun and free, and everything is provided in the fishing clinics so kids can cast a line and try fishing in a safe and supportive environment.

It's all part of the State Government's Go Fishing Victoria plan to get more people fishing, more often.

- Get the opportunity to release fish into the Lake.
- Learn to cast, how to tie knots and what to do with a fish when you catch one.
- Free fishing tuition will be provided by volunteers from Fishcare, angling clubs and VFA staff. Bait will be provided in fishing clinics only.
- Clinics will commence throughout the day, and there'll be lots to do for the whole family including a fish simulator.
- Parental supervision is essential and participants should bring sturdy footwear, clothing to suit the weather, a hat and sunscreen, and a sense of fun and adventure because it's going to be a wonderful day!

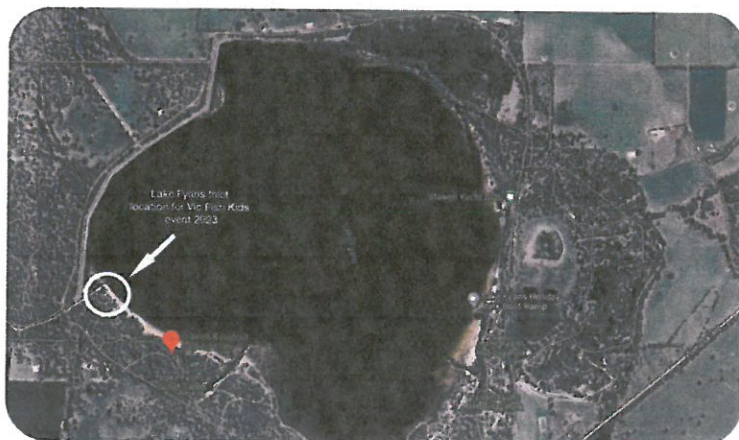

Come along and join a Vic Fish Kids ambassador, who will inspire young and old with expert tips and entertaining tales.
