

“The maps allow people who use mobility aids to safely explore our major towns

”

About Wheelie Good Routes

Northern Grampians Shire Council created Wheelie Good Routes to map safe and accessible routes of travel around Stawell and St Arnaud.

The maps allow residents and visitors who use mobility aids such as wheelchairs and walkers to safely explore the many sights and attractions of the shire's major towns.

This initiative is supported by the RACV Mobility Beyond Driving sponsorship program and provides an opportunity for council and its residents to work together to improve safety and increase mobility in the area.

For more information, please contact the Northern Grampians Shire Council on (03) 5358 8700.
