

# Memorial Park Master Plan

Consultation is open from 27 November to 21 December 2023

## Background

Great Western Future Committee has engaged Iaimiga design studio to prepare a landscape master plan for Memorial Park, Great Western to provide a roadmap for the next 5-10 years with the support of Northern Grampians Shire Council.

*“We want to hear from you – what is important to the residents & visitors to Memorial Park Great Western”*

1. Community engagement
2. Prepare Landscape Master Plan for comment
3. Revise
4. Present to NGSC for endorsement

The Memorial Park Landscape Master Plan will provide a detailed functional layout and direction for the guidance and future development in the park.

The plan will aim to capture the aspirations and vision of the community, considering the opportunities for recreational and sporting activities within the park.

The plan will endeavor to capture the history and cultural significance of the previous works and legacy

## We want to hear from you

To ensure success of the plan, input from the Great Western community is essential.
