

## STAWELL FAMILY'S RECORD

FOR the past 60 years there has always been a member of the Maddocks family connected with the Stawell Fire Brigade. In the early days of Stawell Mr John Maddocks, grandfather of Les, Ray and Jack Maddocks, now on the active list of the Brigade, was one of its members. He held the position of captain. When his two sons, Jack and Bill, joined the Brigade some 40 years ago they kept the family name before the public. Both gave excellent service, and Jack like his late father rose to the position of captain.

The present three members of the family are sons of Jack Maddocks, and each has given the Brigade good service. Roy is having his second year as captain.
