

**LEGEND**

-  Highlight areas
-  Bus stops
-  Pedestrian access

**5 SHANAHAN PARK**  
**EXISTING CONDITIONS/ANALYSIS**  
Toilets x 2 unisex accessible cubicles & shower, library, post office boxes, noticeboard, vegetation, shade structure (locally made) 2 timber and galvanised steel picnic settings, play equipment (junior equipment, spring rocker, 1200mm high slide, spiral climb, rung climb, balance beam, rung climber & swing with 2 toddler safety seats - all in raised mulched area with timber edges), treated pine bollards, pull off area for post boxes.  
Noted by community that Shanahan Park is not welcoming and feels separate/ hidden from the rest of the town because of the building/ fence/vegetation along Newall St. Limited opportunities for play and recreation. Accessibility is restricted throughout the park.

**OPPORTUNITIES**  
Review existing play equipment - consider equipment/activity suitable for wider community use - **inclusive play equipment** - include slide and swings/ elements for fitness  
**Sensory Garden** - dry creek bed with hand operated water pump and sand play  
**Shade** over play elements  
Sculptural elements/ wood carving etc  
**Seating/ gathering** areas adjacent Newall Street and adjacent Post Boxes  
**Review existing vegetation** to support views into site & make more inviting  
Improved general amenity with **BBQ facility/ rubbish bins/ investigate water bubblers**  
**Accessible pathways**  
Review of existing **fencing/ boundary** towards Newall St footpath  
Review existing surface and layout of pull-off pick up mail area consider **sealed angle parking**

**6 MARNOO RECREATION RESERVE**  
**EXISTING CONDITIONS & ANALYSIS**  
Marnoo Cricket Club, cricket oval with white picket fence, surrounding Chinese Elm Trees, access road, The Hub - Clubrooms, bar, function room, public toilets at western end of clubrooms, pizza oven, shade sails and the Wallaloo Creek Reserve

**OPPORTUNITIES**  
Multi-generational **play space** complimentary to Shanahan Park. Include basket swing  
**Pump track** - connection to tennis court to support scooters/ skateboards/ roller blades - can be modular  
**Basketball / netball goals** - potential linemarking (minimum - key, 3 point line & goal circle)  
**Walking trail** along creek (explore extent and opportunity to revegetation opportunities)  
**Caravan and camping facilities** - including power access  
**Connection** from Marnoo Recreation Reserve to Shanahan Park - encourage views and activity along east west connection (ie - shared trail, street trees, seating etc)  
**Celebrate existing Soldier Memorial Gates** with fencing to compliment quality of gates consider resurfacing, lighting and other landscape elements. Include separate maintenance/ overflow gate north of existing gates for wider vehicles (all-weather gate)  
**Cricket nets** - ideally located off the playing field in a north-south orientation

**7 CENTRE MEDIAN -PARK RD/MCKINNON ST**  
**EXISTING CONDITIONS & ANALYSIS**  
Assorted planting of indigenous, native and exotic vegetation  
**OPPORTUNITIES**  
**Review existing pathway surface condition** - maintain and ensure minimum 1800-2000mm width of compacted granitic gravel  
Provide a **variety of seating & rest opportunities** along the pathway in summer shade and winter sun  
Incorporate **artistic elements** that link the central median from north to south  
Continue to **plant for shade, shelter, habitat and interest**  
Ensure bridge crossing is accessibility compliant  
Creative installation of **'troll' under bridge**  
Formation of **additional planting** of seasonally inundated indigenous vegetation along swales
