

**Marnoo Township**  
**Park Road to McKinnon Street**  
**KEY RECOMMENDATIONS FOR DESIGN PRINCIPLES**

- U ACCESS & INTERPRETIVE TRAIL**  
Proposed interpretive/access trail to connect Marnoo from north to south and east to west. Refurbish bridge as required to support accessibility. Provide focused opportunities to interpret local architecture, vegetation and cultural history. Opportunity for the inclusion of artistic sculptural elements reflecting the history, culture and environment of Marnoo. Incorporate accessible seating opportunities along trail at regular intervals.
- V VEGETATION**  
Retain and protect existing vegetation and reinforce with indigenous tree, shrubs, groundcovers & tussocks consistent with the naturally occurring woodland/ savannah community to improve habitat and diversity.
- W THE HUB - MARNOO RECREATION RESERVE - SIGNAGE**  
Aligned with Regional Roads parameters incorporate signage to "The Hub - Marnoo Recreation Reserve". Consider branding for The Hub reflected on the signage. Illuminate or lit at night.

**LEGEND**

	BUILDING LAYOUT		SEALED SURFACE		HAND OPERATED WATER PUMP
	BOUNDARY FENCELINE		FEATURE PAVING		MOUNDS
	EXISTING TREES TO BE RETAINED AND PROTECTED		BRICK PAVING		SHELTER
	FEATURE TREES		COMPACTED GRANITIC SURFACE		PERGOLA
	BULOKEs		SAND		PICNIC SETTING
	EXISTING GARDEN BEDS		PEBBLE CREEK		SEATING
	PROPOSED GARDEN BEDS		TIMBER SLEEPER PAVING		BIKE RACK
	LAWN (NOT IRRIGATED)		WETPOUR SYNTHETIC SURFACE (IMPACT ATTENUATING TO AS4422)		DRINKING FOUNTAIN
	LAWN (IRRIGATED)		PLAYGROUND MULCH (IMPACT ATTENUATING TO AS 4422)		RUBBISH BIN
			UPLIGHTING		POST & RAIL FENCE
			FESTOON LIGHTING		
			BOLLARDS		
			ROCK BOULDERS		
			LOGS - VERTICAL & HORIZONTAL
