

Fire Prevention Contractors

Disclaimer: Northern Grampians Shire Council does not recommend any particular operator and takes no responsibility, nor accepts any liability for activities arising from any operator engaged by any property owner or occupier.

Property owners / occupiers engage operators at their own risk.

The following private operators have indicated to Northern Grampians Shire Council their interest in undertaking fuel reduction works on private property. Please note:

- This is not an exhaustive list and property owners / occupiers may choose to engage through any other means.
- It is the responsibility of the property owner / occupier to ensure compliance with the Fire Prevention Notice, not the contractor.
- Summer is a particularly busy time for some contractors, and it may be difficult to obtain services at short notice.

Northern Grampians Shire Council strongly advises that any contractor engaged has their own Public Liability Insurance.
